

# Willow Cottage - Youlgrave Derbyshire

Youlgrave is a small village 4 miles from the market town of Bakewell and 7 miles from Matlock. The village is a popular walkers' haunt with Lathkill and Bradford Dales only a short walk away. Excellent varied walks from your door, we recommend a late afternoon stroll down Bradford Dale. If you are feeling more energetic, cycling on the High Peak Trail is a few miles away, as is Tissington Trail and the Manifold Valley.

For a day out we have Chatsworth House, Haddon Hall and further afield Lyme Park and Sudbury Hall. If you want a bargain then visit the many Mill shops in the area, our favourites are the Denby Pottery Factory, the Peak Village at Rowsley and Masson Mill at Cromford. For a change of scene how about a visit to Matlock Bath with Abraham Heights cable car, Mining Museum and seaside attractions. For Rail enthusiasts we have Peak Rail at Rowsley and Wirksworth Ecclestone railway.

If you want a good meal out there are three pubs in the village, plus numerous recommendations from previous visitors in our visitor book.
